MENA Green Building Awards

2019

The growing success of the Annual EmiratesGBC Awards program has inspired the rebranding of the 6th Annual Awards cycle to encompass the MENA Region.

2019 will see the awards program in its 7th cycle and third consecutive year as the **MENA Green Building Awards**, since it was rebranded in its 5th Cycle.

The Awards Ceremony and Gala event regularly hosts over 165 guests, many of whom are key government stakeholders and regulatory bodies, industry professionals, NGOs and research institutions.

With stronger reach in the region, we expect the number of applications and event delegates to continue to grow in 2019.

Sponsors can expect to receive plenty of media exposure through press releases and with media in attendance for the Awards Ceremony & Gala Dinner. Just a few of the media who have covered the Annual Awards include:

Construction Week – The National – Climate Control ME – Gulf News – Future Cities Magazine – Gulf Property – Khaleej Times - Alroeya – Al Watan – Al Bayan – Gulf Today – AME Info – Al Ittihad – Al Khaleej – Gulf Construction – Trade Arabia – Emirates Projects – Emirates Business

2019 MENA Green Building
AWARDS

Media Coverage

The **MENA Green Building Awards** will honour organisations in the MENA region that demonstrate clear implementation of sustainable design, construction and/or operation of buildings and structures.

Its ultimate goal is to help establish a regional model for the sustainable built environment that is world class and replicable.
