

EMIRATESGBC WOMEN'S NETWORK SPONSORSHIP PROPOSAL

DESCRIPTION

The EmiratesGBC Women's Network will serve as a platform for networking, mentoring and knowledge-sharing for women across the MENA region working in the field of green buildings and sustainable development.

The Network aims to increase engagement and support with female sustainability professionals and promote inclusivity, diversity and leadership. The EmiratesGBC Women's Network will be EmiratesGBC led and will include a steering committee to support the initiative's overall direction and planning.

Network deliverables will include networking events and meetings initially in the first year with planned growth to include a mentorship program, competitions and more, to be identified and agreed through the EWN steering committee.

One Year
20,000 AED
Two Years
30,000 AED
