

## Application Guidelines

### Award 4: Healthy Spaces Project of the Year

#### **Definition**

Award 4 rewards the best healthy space project in the MENA region

#### **Eligibility**

A completed building or fit-out in the MENA region finalized in 2021 or thereafter, and operational for at least 12 months, whose design, construction and completion prioritizes occupant health and well-being and has respected the highest well-being standards and includes innovation and creativity with respect to its occupants and the surrounding environment. Designs and “in progress” projects will not be accepted. Submissions from any key stakeholder involved in the project (designer, architect, contractor, owner) and joint-submissions are allowed.

#### **Mandatory Submission:**

- Filled online application form
- One (1) annex document: technical documentation to illustrate the information provided.

#### **Application Questions:**

1. Please describe your project and highlight the relevant achievements during the past 12 months (400 words max)
2. How is your project contributing to sustainability (socially, economically, and environmentally) on the local and regional level? Please highlight relevant practices that contribute to the advancement of the green building industry. (400 words max)

*Pointers include:*

- *Health and Wellbeing Building standards*
  - *Products and materials*
  - *Design Process.*
  - *Occupant Communications*
  - *Innovation*
3. Why should your project/company/product win the award for the category selected? (400 words max)
