

Application Guidelines

Award 7: Green Contractor of the Year

Definition

Award 7 rewards the achievements, professionalism and passion of a contracting organization towards improving the sustainability of the built environment.

Eligibility

A MENA based contractor company which has been in operation for at least a year, has already completed projects, and holds a valid trade license in the country it operates, demonstrating the highest green standards on project sites and within the company, in compliance with the national and international regulations and codes.

Mandatory Submission:

- Filled online application form
- One (1) annex document: valid trade license; any relevant documents which would complement the synopsis. Commercial documents (marketing brochures, flyers, ads...) will not be considered as relevant materials for this category.

Application Questions:

1. Please describe your company, highlighting your achievements during the past 12 months. (400 words max)
2. How is your company contributing to sustainability (socially, economically, and environmentally) on the local and regional level? Please highlight relevant practices that contribute to the advancement of the green building industry. (400 words max)

Pointers include:

- *Environmental Policies and processes*
 - *CSR Policies and processes*
 - *Stakeholder engagement*
 - *Staff training*
 - *Projects' descriptions*
 - *Innovation*
 - *Achievements*
3. Why should your company win the award for the category selected? (400 words max)
