APPLICATION FORM
FOR HOTELS AND HOSTELS
2022-2025

1. Introduction

This Green Key application form is valid for hotels and hostels in the **United Arab Emirates**

The Green Key hotel and hostel criteria are applicable for hotels and hostels having more than 15 bedrooms.

In order to be eligible for Green Key, the applicant establishment must be officially registered as a hotel/hostel with this function being officially registered as its main activity.

Criteria marked with (I) are imperative criteria, while criteria marked with (G) are guideline criteria. The applicant must comply with all imperative criteria and an increasing number of applicable guideline criteria according to the number of years for which the award has been held, as per the following table:

Year	Percentage of total guideline criteria
1	0%
2	5%
3	10%
4	15%
5-9	20%
10+	50%

The current set of criteria/explanatory notes is valid until 31 December 2025. Changes in criteria/explanatory notes will normally be announced with at least six months' notice.

Some criteria will need to be documented in the application form, and you will find the information in Annex A. Other criteria will need to be documented in connection with the on-site audits (for each criterion in the criteria/explanatory notes document, there is a paragraph "During the audit..." where you can read about the expected check of compliance with criteria during on-site audits).

For any question about the criteria or the application, audit and award procedure, please do not hesitate to contact Green Key: greenkey@emiratesgbc.org
